## **EXTENDED HANDLING AGREEMENT WITH TECK COAL**

September 19, 2012

**Vancouver, British Columbia** – Westshore Terminals Investment Corporation (TSX: WTE) (the “Corporation”) is pleased to announce today Westshore Terminals Limited Partnership has reached an agreement with Teck to extend the parties’ current agreement (previously set to expire March 31, 2016) for an additional five year term, and now set to expire March 31, 2021.

This extended contract will require Teck to ship through Westshore coal volumes from its various mines, of not less than 16 million tonnes and up to 19 million tonnes per coal contract year, all at fixed rates.

Denis Horgan, General Manager of Westshore Terminals Limited Partnership commented: “This agreement underscores the importance of the long term Teck-Westshore relationship and marks another important and positive step between the two organizations for the future.”

The foregoing statements concerning tonnages are forward-looking statements but reflect the current expectations of the Corporation with respect to future events and performance. Forward-looking statements should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether, or the times at which, such performance or results will be achieved. Forward-looking statements are based on information available at the time they are made, assumptions made by management, and management’s good faith belief with respect to future events.
