## NAVIGATING THE GLOBE: CARTEL ENFORCEMENT AROUND THE WORLD

### Chapter 8: Russia and Ukraine

Thursday, December 13, 2012  
11:00 a.m. - 12:00 p.m. Eastern Time

This program is the eighth chapter in a multi-part series examining critical issues for international cartel practitioners in key enforcement jurisdictions around the world. The series offers practical insights from leading cartel law practitioners in each jurisdiction. Each chapter provides an overview of the jurisdiction's cartel laws, offers insights into the investigative process and leniency/immunity program, discusses key issues relating to penalties, fines and follow-on civil claims, and reports on recent developments. A Q&A session, allowing listeners to participate and put questions to the speakers, follows.

Our program this month will focus on Russia and Ukraine, two increasingly active jurisdictions with significant recent developments in cartel enforcement. Program materials will be distributed to participants prior to the program.
