The *Canadian Securities Exchange* and *McMillan LLP* are delighted to invite you to an exclusive luncheon & information session in Hong Kong which will discuss the opportunity of raising public venture capital on the Canadian Securities Exchange for emerging companies. This event is a must-attend for company executives in Hong Kong as well as for capital markets advisors and investors focused on emerging companies who want to learn more about how to utilize the Canadian Securities Exchange to list securities in Canada in order to provide liquidity to their shareholders and to access growth capital.
