profile

Mitchell is an associate in the firm's Commercial Real Estate Group and Business Law Group. His developing practice encompasses a wide range of commercial real estate and business law matters including secured and unsecured financings, mortgage financings, acquisitions and divestitures, development, commercial leases and general commercial law. He represents a broad range of clients including financial institutions, purchasers, vendors, developers, landlords and tenants of commercial real estate properties.

Mitchell joined McMillan as a summer student in 2012 and completed his articles with the firm in 2014.

Mitchell received his BA, with a double major in Political Science and Economics, from the University of British Columbia and his JD from the University of Alberta. Before law school, Mitchell gained business experience working at a large Canadian oil and gas company and at a Canadian national railway.
