profile

Marina is an associate in the Capital Markets group in the firm's Vancouver office. Her practice is focused on advising both issuers and investment dealers on public and private securities offerings, mergers and acquisitions and other types of financing transactions. She also assists public companies with general securities compliance, continuous disclosure requirements and corporate governance matters.

Marina regularly acts for clients on cross-border business transactions involving the acquisition of companies and businesses.

Prior to joining McMillan, she worked as an assistant corporate development manager at a biotechnology company.
