

AUTOMOTIVE WEBINAR SERIES | PART I: ELECTRIC VEHICLE GROWING PAINS & GAINS

Posted on September 12, 2023

Categories: [Insights](#), [Events](#), [Webinars](#)

Our panel of thought leaders will discuss a broad range of topics impacting electric vehicles in Canada. Topics highlighted include:

- EV funding, policies and mandates: challenges facing Canadian emissions targets, funding and infrastructure;
- the Canadian regulation of EV batteries including transport, management and recycling requirements; and
- EV fires and recall obligations.

This program is the important and timely information you need to know in the Canadian electric vehicle industry.

CPD: This program qualifies for up to 75 minutes of Substantive CPD in Ontario, 75 minutes of CPD in BC and 75 minutes of CLE in Quebec.
