

BANKING REGULATION 2018 - 5TH EDITION

Posted on April 24, 2018

Categories: Insights, Publications

Banks in Canada have been continuously recognised as amongst the soundest and safest across the globe. Notwithstanding, the global financial crisis has led to a series of significant regulatory changes (most notably in the areas of liquidity and capital) designed to reduce the risk of another global financial crisis occurring, to which Canadian banks are already or will become subject, to ensure that they will continue to be well positioned for any risks going forward.
