McMillan's annual, cross-Canada Employment and Labour Seminar Series continues in Toronto. Join us as we discuss significant legal developments and provide practical advice on critical issues facing employers in Canada.

Topics will include:

- Workplace investigations
- Case law update
- Disability management
- Federal and provincial legislative updates
- Navigating business immigration
- Frustration of employment
- Responding to workplace accidents

This program qualifies for up to 1.5 hours of Substantive CPD Credit in Ontario.
