

# COMMERCIAL REAL ESTATE CONFERENCE - ENVIRONMENTAL MANAGEMENT OF A REAL ESTATE DEVELOPMENT PROJECT: HOW TO AVOID SURPRISES?

Posted on August 2, 2023

Categories: [Insights](#), [Events](#)

Contaminated land management, wetlands protection, and reduction of greenhouse gas emissions: environmental issues have now become integral to every property development. Given the complexity and growing importance of these challenges, it is vital for all stakeholders involved to anticipate them in order to avoid (unpleasant) surprises!

Our Commercial Real Estate, Environment and Litigation teams, in collaboration with [Nvira](#), a multidisciplinary engineering consultancy firm in environmental sciences, will discuss best practices and possible solutions at our next conference on **Tuesday, September 12, 2023**.
