2017 Employment and Labour Seminar

Members of McMillan's Employment & Labour Relations Group will be discussing Bill 148 and the extensive changes proposed to the minimum wage, hours of work, scheduling, the certification process, enforcement provisions, leaves of absence and other terms and conditions of employment.

These changes will significantly impact all Ontario employers, regardless of size or industry. Speakers will address what employers should do to prepare for the new landscape in Ontario, as well as provide a summary of key 2017 employment and labour cases.

Please join us for a practical and in-depth discussion aimed at HR professionals, in-house counsel and operations managers, who want to prepare and better understand how Bill 148 will impact their business.
