On December 8, 2022, the Canadian Securities Administrators (the “**CSA**”) and the Investment Industry Regulatory Organization of Canada (“**IIROC**”) jointly published [Staff Notice 23-329: Short Selling in Canada](#) (the “**Short Selling Notice**”), which reviews the current regulatory requirements and initiatives with respect to short selling and seeks public feedback on areas for regulatory consideration.

Certain lawyers at McMillan have prepared a response (the “**Comment Letter**”) in writing to the request for comments by the CSA and IIROC (now the New Self-Regulatory Organization of Canada) with respect to the questions set out in the Short Selling Notice.
