

# MCMILLAN PRIVACY BASICS BULLETIN SERIES

*Posted on July 17, 2015*

**Categories:** [Insights](#), [Publications](#)

Privacy and Data Security are growing areas of concern for businesses. The law in this area is rapidly evolving, and privacy issues regularly feature in headline news stories. As organizations are increasing their investment in data privacy, [McMillan's Privacy Group](#) would like to help our clients understand their core privacy and data protection obligations.

We are pleased to launch an eight week "Privacy Basics" bulletin series to introduce you to some basic privacy concepts and controls, as well as provide some general guidance for privacy compliance in Canada. To access articles in this series, click below.

[Issue 1: Privacy policies](#)

[Issue 2: Privacy programs](#)

[Issue 3: Privacy training](#)

[Issue 4: Cybersecurity](#)

[Issue 5: Breach response plans](#)

[Issue 6: Data protection agreements](#)

[Issue 7: Cloud computing](#)

[Issue 8: Access requests](#)

We hope that you will find our series useful in planning for your business. Please do not hesitate to contact your McMillan advisor or any member of our [Privacy Group](#), if you have any questions arising out of the bulletins, or other privacy and data protection matters affecting your organization.
