COVID-19: JULY 22ND UPDATE ON THE IMPACTS TO DEVELOPMENT APPLICATIONS AND HEARINGS

Posted on July 22, 2020

Categories: Insights, Publications

This is an update to our previous bulletins (most recently, <u>June 3</u> and <u>July 6</u>, 2020) detailing the impacts of COVID-19 on development applications and municipal planning hearings in Ontario. An updated list reflecting the status of a number of GTA municipalities is included at the end of this update.

The Provincial State of Emergency, Emergency Orders, & Status of Reopening the Province

The Provincial State of Emergency as declared pursuant to the *Emergency Management and Civil Protection Act*, RSO 1990, c. E.9 (the "*EMCPA*") was further <u>extended</u> on July 8, 2020 until **July 24, 2020**, and on July 16, 2020, the <u>Province extended</u> almost all <u>Emergency Orders</u> made under s.7.0.2(4) of the *EMCPA* until **July 29, 2020** (click <u>here</u> for a full list). Note that he Order respecting suspension of Limitation Periods (<u>O. Reg. 73/20</u>, made under s.7.1(2)) is effective for the "duration of the emergency".

On July 7, 2020, the Province also introduced new legislation (Bill 195: "<u>Reopening Ontario (A Flexible Response</u> to COVID-19) Act, 2020"). If passed, the legislation would "allow orders that remain essential to be continued" even once the Declaration of Emergency has ended. Further, the new legislation will not allow the Province to create new emergency orders, but only amend or remove the existing orders. Bill 195 is <u>currently</u> in its second reading debate.

By July 24, 2020, 31 regions within the province will have entered into Stage 3, allowing them to increase the number of businesses and public spaces permitted to reopen, and permitting gatherings of up to 50 people indoors, and 100 people outdoors (while still physically distancing). A number of municipalities, such as the City of Toronto and Durham Region, are implementing additional restrictions, including making it mandatory to wear face coverings in commercial establishments and indoor public spaces. Toronto, Peel, and Windsor-Essex will remain in Stage 2.

The Status of Planning Act Timelines & the Local Planning Appeal Tribunal

As noted in our <u>previous bulletin</u>, the temporary suspension of the Planning Act timelines ended on June 22, 2020, pursuant to <u>O. Reg. 278/20</u>.

We understand that the Local Planning Appeal Tribunal ("**LPAT**") continues to operate with minimal staff on site at its offices and that no parties will be entering the LPAT offices at 655 Bay Street at this time. The LPAT is continuing to reschedule postponed and cancelled hearings, virtual mediations, Case Management Conferences ("**CMCs**") and settlement hearings on a case-by-case basis via virtual platform or telephone-conference. We also understand that the LPAT is looking into rescheduling cancelled hearings, especially legacy and Bill 139 matters.

A "working committee" of private and public sector lawyers, together with representatives of the LPAT continue to work towards establishing procedures for alternative hearings arrangements for contested hearings at this time (such as video conference or hybrid hearings). The LPAT is also considering how in-person hearings may be conducted at 655 Bay St., and is planning some in-person hearings before the end of the year (limited to 4 parties), with regular in-person hearings restarting in the new year.

We will continue to monitor this situation and update you as further information becomes available.

The Status of GTA Municipalities

The below represents a list of municipalities in which we experience the most volume of development applications and appeals (alphabetical order). The information has been obtained from the municipalities' websites or from direct communication from the municipalities and, as such, is subject to confirmation. Please also note that the status of the matters contained herein are evolving rapidly and may not be the most current. If you have a question relating to a specific municipality not included in the list below, please do not hesitate to contact us.

Note re: <u>Provincial Courts</u> (as of July 2, 2020): The Ontario Court of Justice continues to operate on a reduced schedule. Until further notice, no in-person *Provincial Offences Act* proceedings will be conducted until September 14, 2020. Between July 6 and September 11, 2020, remote judicial pre-trials and remote early resolution guilty pleas may be held.

<u>City of Brampton</u>

- <u>Declared a State of Emergency as of March 24, 2020</u>; all City facilities closed until further notice, including City Hall.
- <u>Meetings</u>: City Council and some committee meetings are occurring <u>virtually</u> with in-person attendance limited to Members of Council and essential City staff only.
- <u>Planning Applications & Appeals</u>: Existing applications are continuing to be processed. New applications can be submitted digitally using the City's FTP Server (click <u>here</u> for more information). Reports are still being completed, external agencies are still providing comments, and meetings are being held via Skype

as necessary. All appeals will be accepted digitally. During this time, fees are not required at the time of submission and applications will not be deemed to be Complete (as per the Planning Act) until payment is processed once the City offices are reopened.

• <u>Building Permits and Inspections</u>: Buildings Division desk is closed until further notice. Applications for residential building permits can be submitted electronically; larger Industrial, Commercial and Institutional application submissions will continue by appointment only. Building Division is conducting inspections of unoccupied buildings, and is conducting occupied building inspections (including second units) virtually.
