Join us on **Wednesday, March 8th** for a breakfast session discussing key issues for funds, asset managers, developers and exempt market dealers in the real estate industry. Our panel event will discuss:

- New changes applicable to raising capital using the offering memorandum prospectus exemption;
- Stay compliant. Avoid triggering IFM and EMD registration;
- Effectively structuring a real estate development deal; and
- Tax considerations in connection with the establishment and operation of a fund, including RRSP and TFSA eligibility

For legal practitioners, this seminar qualifies for 1 hour and 30 minutes of Substantive CPD Hours in Ontario.
