Join McMillan on **Thursday, December 5th** for its next environmental law webinar on the key issues of brownfield redevelopment in Canada. We will cover the benefits of choosing a brownfield property for redevelopment and strategies and best practices for overcoming common environmental challenges through the planning and construction stages of a project, including understanding environmentally sensitive features, managing waste and excess soil, complying with records of site condition requirements, and navigating municipal approvals and construction issues.

CPD: For legal practitioners, this program qualifies for up to 90 minutes of Substantive CPD in Ontario, 90 minutes of CPD in BC and 90 minutes of CLE in Quebec.

Date: Thursday, December 5, 2024

Time: 12 pm - 1:30 pm ET

Webinar: Log-in details will be e-mailed once you RSVP that you are attending.
