

# ENVIRONMENTAL LAW: RECENT DEVELOPMENTS IN CANADA

Posted on March 22, 2024

**Categories:** [Insights](#), [Events](#), [Webinars](#)

Join McMillan on **Tuesday, April 16th** for a webinar highlighting recent developments in the Canadian environmental law landscape. While it can feel overwhelming to keep up with the constant changes and updates to plastics, PFAS, greenwashing, clean fuel regulations and more, this program provides the update your business needs and discusses the impacts of these new and evolving areas of law. We will also cover practical tips for managing your business' compliance obligations in response to these recent changes.

**CPD:** This program qualifies for up to 90 minutes of Substantive CPD in Ontario, 90 minutes of CPD in BC and 90 minutes of CLE in Quebec.

**Date:** Tuesday, April 16, 2024

**Time:** 12:00 pm – 1:30 pm ET

**Webinar:** Log-in details will be e-mailed once you RSVP that you are attending.
