

CHAMBERS ANTI-CORRUPTION 2019 GUIDE: CANADA

Posted on February 8, 2019

Category: [News](#)

Corruption cases have come back into sharp focus in the past few years and the demand for legal services in this field has risen. If you're a company director, investor or government agency and you need to know about how to navigate the legal issues surrounding white collar offences, such as breach of trust, corruption and influence-peddling and bribery, McMillan LLP has authored a chapter in the Chambers Anti-Corruption 2019 Guide - Canada.

Please read the online [Chambers Anti-Corruption 2019 Guide](#).
