

FOUR MCMILLAN LAWYERS RECOGNIZED IN LEXPERT'S 2021 SPECIAL EDITION ON CANADA'S LEADING HEALTH SCIENCES LAWYERS

Posted on June 10, 2021

Category: [News](#)

McMillan is proud to announce that four of the firm's lawyers are recognized for their exceptional expertise in the new [2021 Lexpert Special Edition on Canada's Leading Health Sciences Lawyers](#).

Lawyers are selected based on their industry experience and high rankings in the Canadian Legal Lexpert Directory. Congratulations to:

- [Desmond Balakrishnan](#), Vancouver
- [Rajeev Dewan](#), Toronto
- [Julie Han](#), Toronto
- [Scott Maidment](#), Toronto

The 2021 Lexpert Special Edition on Health Sciences will be distributed with the June 10, 2021 edition of *The Globe and Mail* and to the readership of Canadian Lawyer Inhouse, Lexpert Legal Newswire and Canadian Newswire Inhouse. This novel industry-focused publication will focus on health services and the supporting industries as well, such as health tech, care facilities and the production of other health products and services and the legal professionals who serve that industry.

Healthcare Practice

McMillan's [Life Sciences Industry Group](#) serves public and private sector clients in the healthcare, biotechnology and pharmaceutical industries. We believe in our clients' missions and are committed to helping them deliver them. Our clients include various provincial government ministries and agencies, regional health authorities, hospitals, private health care providers, family health teams and health professionals. We also represent pharmaceutical (both human and veterinary), biotechnology and life sciences companies, health benefit providers and insurers on a variety of health industry issues.
