

MCMILLAN CELEBRATES INTERNATIONAL WOMEN'S DAY 2022

Posted on March 7, 2022

Category: [News](#)

To mark International Women's Day 2022, McMillan LLP asked firm members to nominate colleagues in recognition of their work to **#BreakTheBias**. We are celebrating the contributions of nearly 50 firm members who work to challenge and break biases.

Thank you to the firm members who took time to nominate a colleague and thank you to the nominees for their commitment to the McMillan LLP, to each other and our communities.
