About IFLR1000

Since 1990, *IFLR1000* has published tiered rankings of leading financial and corporate law firms worldwide. Ranking is based on three key criteria: transactional highlights, peer feedback and client feedback. Together with their firm rankings, *IFLR1000* also recognizes the work of outstanding legal professionals. Their individual rankings are based on the same three criteria as their law firm rankings. The prestigious guide also conducts analysis of market trends for over 120 jurisdictions globally.
