McMillan LLP is pleased to recognize 13 of our lawyers who have been promoted to equity partner and partner. These lawyers have shown exceptional commitment to the firm's clients, businesses and industries and represent the broad scope of business related legal services McMillan provides. These partners are also a true reflection of the firm's strength and commitment to achieving diversity of leadership. McMillan is invested in delivering leading innovative and solutions-oriented client service and each of these new partners plays an important role in the firm's delivery of such service across Canada.

"I am extremely proud to congratulate these talented lawyers on their well-deserved promotions. They complement the depth of experience at our firm and exemplify our firm values," said Teresa Dufort, CEO and Managing Partner, McMillan LLP. "Many of these new partners joined McMillan at the beginning of their legal careers, and have evolved into remarkable lawyers and advisors who provide our clients with solutions-driven advice and exceptional service across the full spectrum of legal services."
