The 2023 Lexpert Special Edition on Mining recognizes five of the firm's leading lawyers for their exceptional expertise in the domain. In a complex and increasingly changing global industry, McMillan's mining lawyers offer the legal business solutions and insights our clients need to stay ahead.

Congratulations to McMillan's nominees, who were selected based on their rankings from Lexpert Directory:

- Georges Dubé, Toronto
- Cory Kent, Vancouver
- Leo Raffin, Vancouver
- Stephen Wortley, Vancouver
- Bernhard Zinkhofer, Vancouver

The 2023 Special Edition on Mining is a digital-only edition that will be distributed via *The Globe and Mail* and Key Media's own industry channels. It will include in-depth editorial articles discussing the latest industry developments, trends and legal issues including finance, ESG and operational legal issues in mining.

McMillan's [Mining Group](#) has been advising Canadian and international clients since the late 1920s. We play a crucial role in putting companies at global centre stage in mining activity and financing. Our lawyers act on behalf of a wide range of public and private companies in all stages of resource development, including exploration, mine construction and financing, as well as commercial production operations, and has regular involvement in cross-border matters. We also negotiate earn-in, joint venture operating, strategic alliance, royalty, and metal streaming agreements.
