December 2018

We are pleased to announce that Harald (Hari) Marcovici will be joining the firm as an associate in the Capital Markets Group in Toronto, effective December 10, 2018.

Hari obtained his J.D. from the University of Western Ontario and is a Chartered Financial Analyst. He is also fluent in Hebrew and Romanian. He was called to the Ontario bar in 2013.

Hari started his legal career at the Ontario Securities Commission in the Enforcement Branch and subsequently transferred to the Investment Funds and Structured Products branch where he practiced for over 3 years. Subsequently, he worked at HSBC Global Asset Management and RBC Global Asset Management where he advised both the asset management and dealer businesses on various regulatory and legal issues.

Hari also has significant experience drafting and advising on exemptive relief applications and various documents pertaining to the offering of public and private investment funds, including prospectuses, OMs, corporate resolutions, trust agreements and limited partnership agreements. We look forward to the many contributions Hari will make to our growing group.

Please join us in welcoming Hari to the firm!
