### **DAVID FANJOY**

#### Categories: People, Lawyers

David Fanjoy practices employment and labour law and has experience advising clients on a variety of workplace issues. He regularly provides advice to employers regarding employment standards, workplace health and safety, and the development of workplace policies, and has significant experience providing termination advice and strategy. In addition, David has also represented numerous employers in wrongful dismissal litigation, employment standards disputes and human rights claims. He also advises clients regarding compliance with accessibility laws, both in the employment and commercial context.

David also regularly assists vendors and purchasers with the employment and labour aspects of corporate transactions, advising on employment-related liabilities, collective bargaining issues, and executive compensation. David has acted for start-ups, private equity firms, as well as Canadian and international clients in a wide range of industries.

# mcmillan

Prior to his legal studies, David worked as a tree planter for a number of summers, planting over half a million trees across Western Canada.
