

HANS CHANG

Categories: [ESG](#), [People](#), [Business Professionals](#)

Hans Chang is the Strategic Advisor, Marketing Development at McMillan. He is responsible for overseeing the development and execution of business development strategies in the firm's Vancouver and Calgary offices, and assists McMillan's lawyers in connection with opportunities in Korea and the Asia-Pacific. Hans works closely with government officials, business associations and industry leaders in various sectors, both domestically and internationally, to advance the interests of clients of the firm.

An active member of the Legal Marketing Association, Hans is also an officer of the International Association of Korean Lawyers. He has over a decade of experience in legal marketing and business development with national and international law firms.

Hans is fluent in English and Korean.
