

TANIA BOULANGER

Categories: [People](#), [Lawyers](#)

Tania boasts over 20 years of extensive experience in capital markets and securities. She advises issuers, brokers, investment funds, asset managers and stakeholders in a variety of industries.

Fluent in three languages, she assists Canadian and international clients with corporate financing, M&A and securities matters. More specifically, she advises on public and exempt securities offerings, takeover bids, plans of arrangement, amalgamations and stock exchange listings. She also advises companies on corporate governance and regulatory compliance, including compliance and registration matters in the investment fund and asset management industry.

Prior to joining McMillan, Tania spent several years working at the Autorité des marchés financiers (AMF). This experience and her keen expertise enables her to bring an in-depth perspective to clients.
