Teck Announces Coal Shipment Agreement with Westshore

Vancouver, BC – Teck Resources Limited (“Teck”, TCK.A and TCK.B, NYSE: TCK) announced today that it has reached agreement with Westshore Terminals Limited Partnership (“Westshore”) on terms for the shipment of steelmaking coal from Teck’s mines in British Columbia and Alberta for a four year term from April 1, 2012 to March 31, 2016. The new agreement contemplates Teck shipping 16 million tonnes of coal in the initial contract year, and larger amounts in subsequent years when Teck’s production is scheduled to increase, all at fixed rates through Westshore. The commercial terms of the contract are confidential.

The existing contract that covers coal from the Elkview, Line Creek and Cardinal River mines expire on March 31, 2012 and the contract that covers coal from the Fording River, Greenhills and Coal Mountain mines expires on February 29, 2012.

Forward-Looking Statements

This press release contains certain forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995 and forward-looking information as defined in the Securities Act (Ontario). The forward-looking statements in this news release include statements concerning the volume of coal to be shipped by Teck under the new agreement with Westshore.

Forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause the actual results, performance or achievements of Teck to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Factors that may cause actual results to vary include, but are not limited to, operational risks relating to Teck’s coal mines, transportation-related risks, market-related risks, and other risk factors as detailed from time to time in Teck’s reports filed with Canadian securities administrators and the U.S. Securities and Exchange Commission. Certain of these risks are described in more detail in the annual information form of Teck and in its public filings with Canadian securities administrators and the U.S. Securities and Exchange Commission. Teck does not assume the obligation to revise or update these forward-looking statements after the date of this document or to revise them to reflect the occurrence of future unanticipated events, except as may be required under applicable securities laws.
