

Privacy & Data Protection Lawyer

McMillan LLP, one of Canada's leading business law firms, is currently seeking a lawyer to join its Privacy & Data Protection Group in Montreal.

The Group advises a variety of clients on all matters of privacy & data protection issues including legal requirements related to handling personal information, access requests, data security, workplace privacy issues, handling personal health information, CASL compliance, as well as the development of privacy compliance programs, privacy and social media policies, data sharing agreements and consent forms. We also assist our clients with data breaches, privacy impact assessments, and the privacy implications of corporate transactions.

Applicants must have at least 5 years of experience in Quebec privacy law, be called to the Quebec Bar, and have strong professional credentials. Excellent interpersonal, communication and writing skills, as well as the ability to juggle multiple demands are essential.

McMillan LLP is known for its outstanding professional excellence and national one office approach. If you have the requisite skill set and are interested in working within a collegial and forward-looking environment, please submit a resume in confidence to:
